Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Mr. Lasky stated that the Swallow reference fails to disclose a foldable label as claimed. Mrs. Carter agreed that Swallow should be removed as reading on the claimed invention. Mr. Lasky stated that the Cunningham reference fails to disclose the first and second layers of the label having different light transmissibility. Mrs. Carter stated that this feature will be searched in an updated search. Mr. Lasky stated that he would be willing to cancel claim 4 and include those limitations into independent claim 1. An updated search will be conducted and should an applicable reference be discovered, Mr. Lasky will be contacted.
